

## **TRANSPORTATION**

---

### **ALTERNATIVE FUELED VEHICLES PILOT PROGRAM**

**Description:** Provides funding through the U.S. Department of Energy Clean Cities program to encourage the use of plug-in electric drive vehicles or other emerging electric vehicle technologies. Grants may be used for the acquisition of alternative-fuel vehicles, fuel-cell vehicles, or hybrid vehicles including buses for public transportation and ground transportation at airports.

**Funding Mechanism:** U.S. Department of Energy may make competitive grants for up to 30 geographically dispersed pilot projects. Detailed program information and application materials are not yet available.

**State Agency:** Office of Energy Independence

### **ASSISTANCE TO SMALL SHIPYARDS GRANT PROGRAM**

**APPLICATIONS ARE DUE APRIL 20, 2009.**

**Description:** This is an assistance program for small shipyards. Under this program, there is currently an aggregate of \$98,000,000 available for grants for capital improvements, and related infrastructure improvements at qualified shipyard facilities that will be effective in fostering efficiency, competitive operations, and quality ship construction, repair, and reconfiguration.

**Funding Mechanism:** The Maritime Administration intends to award the full amount of the available funding through grants to the extent that there are worthy applications. No more than 25 percent of the funds available will be awarded to shipyard facilities that have more than 600 production employees. The Maritime Administration will seek to obtain the maximum benefit from the available funding by awarding grants for as many of the most worthy projects as possible. The Maritime Administration may partially fund projects by selecting parts of the total project.

**Eligible Entities:** Local Government State Government

**Responsibility for Implementation:** Federal

**Federal Agency Name:** Transportation, Dept. of

**Federal Amount:** \$8,000,000,000.00

---

## TRANSPORTATION ELECTRIFICATION

**Description:** Provides funding to state, local governments, and metropolitan transportation authorities for qualified electric transportation projects that reduce emissions. Eligible projects include shipside electrification of vehicles, truck stop electrification, airport ground support equipment and cargo handling equipment.

**Funding Mechanism:** Department of Energy will make funding available through competitive grants.

**State Agency:** Transportation, Department of

**Eligible Entities:** Local Government Other State Government

**Responsibility for Implementation:** Federal

**Federal Agency Name:** Energy, Dept. of

**Federal Web Site:** <http://www.eere.energy.gov/>

**Federal Amount:** \$400,000,000.00

---

## TRIBAL TRANSIT FUNDING

**Description:** Provides funding for the Tribal Transit Program. The purpose of this program is to: 1) to enhance the access of public transportation on and around Indian reservations in nonurbanized areas to health care, shopping, education, employment, public services, and recreation; 2) to assist in the maintenance, development, improvement, and use of public transportation systems in rural and small urban areas; 3) to encourage and facilitate the most efficient use of all Federal funds used to provide passenger transportation in non-urbanized areas through the coordination of programs and services; and 5) to provide for the participation of private transportation providers in non-urbanized transportation to the maximum extent feasible.

**Funding Mechanism:** Funds distributed based on an annual national competitive selection process conducted by FTA. FTA awards Tribal Transit grants directly to eligible Indian tribes.

**State Agency:** Transportation, Department of
