PERSONAL HISTORY STATEMENT

INSTRUCTIONS: READ CAREFULLY BEFORE PROCEEDING

These instructions will assist you in properly completing your Personal History Statement. It is essential that the information be accurate in all respects, as it will be used as a basis for a background investigation to determine your eligibility for employment.

Please remember this is your first opportunity to make a good impression in completing the assigned task!

1. Your Personal History Statement should be **printed legibly in black ink**. Answer all questions to the best of your ability.
2. If a question is not applicable to you, enter NA in the space provided.
3. Avoid errors by reading directions carefully before making any entries on the form. Be sure your information is correct and in proper sequence before you begin.
4. You are responsible for obtaining correct addresses. If you are not sure of an address, check it by personal verification. Your local library may have a directory service or copies of local phone directories.
5. If there is insufficient space on the form for you to include all information required, attach extra sheets (8 ½ x 11) to the Personal History Statement. Be sure to reference the relevant section and question number before continuing your answer.
6. The Americans with Disabilities Act prohibits employers from making medically related inquiries prior to a Conditional Offer of Employment. Therefore, if you are completing this Personal History Statement before you have received a Conditional Offer of Employment, do not divulge information concerning physical or mental conditions, either past or current.
7. An accurate and complete form will help expedite the background investigation. A pre-employment polygraph examination may be used to verify deliberate or falsification which may result in applicant disqualification.
