Notes: Circle last voter # in poll book in red. County Clerk's office noticed when municipality dropped off supplies that the tally tape was 328 and last voter number was 327. Municipal clerk explained that ballot was fed into the system and voter pull ballot out before it was dropped into the ballot box, the voter then put the ballot back into the scanner and the poll workers believe that the ballot was counted both times. Clerk was sent back to perform draw down which resulted in adjustment of Protasiewicz from 174 to 173.
