DEMENTIA AWARENESS & SUPPORT

Wednesday, June 17th at 6:30 p.m.

Or

Tuesday, June 23 at 10:00 a.m.

Please join Amy Luther, Dementia Care Specialist from the ADRC (Aging & Disability Resource Center) of Pierce County, to learn more about dementia, from the comfort of your own home.

- Participate in this online/phone interactive gathering
- Identify differences between “normal” and “not normal” aging
- Learn about several types of dementia and their features
- Ask questions, get more information about resources and support
- Discuss ways to support those living with dementia and their care partners.

Please contact Amy at 715 273-6780 or amy.luther@co.pierce.wi.us to register. If calling, leave a message and you will receive a return call with further instructions on how to connect to this program. If sending an email, you will receive info and the link to join.
